

RESUME

I. PERSONAL DATA:

Name y Last Name : Edwin Martin Brener Vasquez

Place and Date of Birth : Moquegua, April 28th 1979

DNI : 40533338

Military Card : 3087965798

Currently Addrees : Siglo Street 476 – Moquegua - Peru

Phones : 0051-95-9838853 / 0051-976-315061

Profession : Metallurgical Engineer

E-mail : edtuva@yahoo.es / edtuva@hotmail.com

Driver License : Yes, A1

Passport : Yes, 4805014

II. ESTUDIES:

Primary Level : Educative Center “Angela Barrios de Espinoza” Moquegua.

Secondary Level : Educative Center “Simon Bolívar” Moquegua.

Top Level : National University of San Agustín Arequipa.
Facultad de Ingeniería de Procesos.

III. CURRENT POSITION:

Engineer Professional School Metallurgical Engineering.
National University of San Agustín. Arequipa-Perú
www.unsa.edu.pe

IV. COURSE AND EVENTS:

- Course “Conversión Cooper Mattes” (2000).
- I Congress Metallurgical “International” (2001).
- Curso de “Recubrimientos Duros y Soldadura de Mantenimiento” (2002).
- Curso de “Planeamiento y Control de Plantas de Conminucion” (2002).

- Course “Word 2000” (2005).
- Course “Excel 2000” (2006).
- Course Básic & Intermédiate “AUTOCAD 2007” (2006).
- I Symposium International Stainless Steel (2006).
- English Basic course (ICPNA).
- Course Ms – Project (2008) to MBA/PMI (SENCICO)

V. CERTIFICATES OBTAINED:

- Diploma Engineer in Metallurgical Engineering U.N.S.A. Arequipa.
- Diploma Bachelor in Metallurgical Engineering U.N.S.A Arequipa.
- Level II en ASNT VT y PT

VI. EXPERIENCE:

Professional experience in the Area:

- Works : Assistant Industrial Radiographic Camisea Project:
City Gate (GyM), Terminal Marítimo para Gás
(BELFI – COSAPI) Lima e Ica. (QUALITEST S.A.C.).

Assistant Industrial Radiographic Thérmlcal
Central Expansión ENDESA ETEVENSA
LIMA.
(QUALITEST S.A.C.).
Desde 28/04/2004 hasta 16/06/2004
- Project : Quality Control Engineer of Alto Chicama Project
“STRUCTURAL STEEL” C – 202; Primary Crushing,
Secondary Crushing; Process Plant, Truck Wash,
A.R.D. Plant; La Libertad. Owner Barrick
Misquichilca (S.S.K. Montajes e Instalaciones S.A.C.).
From 04/10/04 To 11/06/05
- Project : Quality Control Assistant of Metallurgical Laboratory
On the Quinoa – Yanacocha “C – 2027”, Owner Newmont
Cajamarca (Consortio SSK- Técnicas Metálicas).
From 18/12/05 To 01/05/06
- Project : Welding Inspector of Modernization Smelter Project - Ilo
Contract K-12, Piping Installation (Cr-Mo) Sch 80
To Boiler Heat Recuperator Isasmelt. Moquegua

(COSAPI-SSK). Owner Southern Perú Limited
From 16/05/06 To 27/10/06

- Project : Quality Control Engineer of Modernization Smelter Project - Ilo
Contract K-08, Piping Installation of Acid Flow from Acid Plant
to Port Shipment (CS). Moquegua (HAUG S.A.).
Owner Southern Perú Limited
From 12/01/07 To 14/04/07
- Project : Construction Supervisor in Mechanical Installation Lime Kiln
China Linda Project. Cajamarca (Integración Global).
Owner Newmont
From 14/04/07 To 15/06/07
- Project : Process Engineer Prefeasibility Pinaya Project to Owner
Acero Martín Explorations. (GMI Ingenieros Consultores).

Process Engineer Prefeasibility Cajamarquilla Project to
Owner Votorantim Metais. (GMI Ingenieros Consultores).

Project Engineer CAPEX Cajamarquilla to Owner Votorantim
Metais. (GMI Ingenieros Consultores).

Supervisor QA/QC of Expansión Plant Arcata
1750 TMSD Mining Unit Arcata
To Owner Hochschild Mining.
(GMI Ingenieros Consultores).
From 24/07/07 To 01/12/08.
- Project : Engineer QA/QC, Installation and Start up (Clarifier, Mill,
Piping HDPE, CS, SS) Acid Water Treatment Plant Project
TUNEL KINGSMILL, Junín. Owner CHINALCO (COSAPI
S.A.).
From 10/06/09 to 30/10/09
- Project : Engineer Q.C. Welding Inspection in aluminum (Series 5)
Small and large bore and column of oxygen (AA).
Oxygen Plant. CM009
Engineer Q.C. Installation (Structural Installation, Autoclaves
Piping and welding CS, SS, Duplex, Ni, Ti) Oxidation Plant of
Gold
Contract CM001
Pueblo Viejo Project, Dominican Republic.
Owner Barrick Gold (COSAPI S.A.).
From 09/04/10 to 23/12/11
- Project : Engineer Q.C. Antamina Expansión Project, Piping Installation
Welding in CS and HDPE to Fresh Water Recovered
Owner Antamina (COSAPI S.A.). CR2936
From 20/01/12 To 15/05/2012

- Project : Engineer Q.C. Sewage Water Treatment Plant Project (PTAR), to Owner SEDA CUSCO.
CR2942, Welding CS, SS, HD (COSAPI S.A)
From 18/06/12 to 31/07/13

I am Professional dedicated to construction and start up Mining Plant and Gas/Oil.

Metallurgy Design Specialist (Prefeasibility and conceptual) Development in Process Flow Diagram, Process Calculation in Crushing, conveyors, Thickener/Clarifier

Construction Specialist QA/QC Assembly and Fabrication of piping, Spool fabrication of High and Low pressure, Hydrostatic Test, Pneumatic Test; Assembly and fabrication of structural steel for all kind builds (Crushing, conveyors, Power House, silo); Welding Specialist ferrous and non ferrous, ASNT Inspector

My Personal references are:

Juan Villar García (01) 211 3500 Construction Manager (Cosapi S.A.)

Jose Vilela P. (01) 985654383 Eng. Mechanical Design Senior (FreePort Mc Moran).

Luis Urribarri R. (01) 613 4545 Construction Manager (HAUG S.A.)

Jaime Escudero (01) 211 3500 Internationals Manager Business (Cosapi S.A.)
